Hymn

I have a friend who loves me so

Written and Composed by Pastor E. A. Adeboye, General Overseer, RCCG

1. I have a Friend
Who loves me so
His name is Jesus Christ
He died for me
He loves me so
His blood He shed for me

CHORUS:
He is my Friend
He is my King
He is my Redeemer
He is my Lord
He is my All
Let's shout Halleluyah
Let's shout Halleluyah

2. I have a Friend
He loves me so
He reigns in majesty
Earth His footstool
Heaven His throne
His dress is shining light

3. I have a Friend
He loves me so
When He speaks it is done
To Him all knees
Must surely bow
His Name above all names

4. I have a Friend
He loves me so
He's All in all for me
He meets my needs
To overflow
I never lack for joy.

5. I have a Friend
He loves me so
He conquered death for me
He gave me power
Over my foes
All forces of darkness

6. I have a Friend
Who loves me so
More than conqueror I am
Hear ye heavens
Earth take your note
I sing for victory

7. I have a Friend
He loves me so
He gives me strength within
I just succeed
He helps me to
I'll never fail again

8. I have a Friend
He loves me so
Beyond expectations
Beyond the top
He takes me to
There is no Friend like Him

9. I have a Friend
Who loves me so
He built a house for me
A great mansion
In His Father's house
Is there waiting for me

10. I have a Friend
Who loves me so
He's coming back for me
Trumpet will sound
Both long and loud
I'll meet Him in the air

11. I have a Friend
Who loves me so
His precious bride I am
He'll marry me
Not long from now
I'll rejoice forever

12. That's why I sing
Halleluyah
Halleluyah to Him
That's why to Him
I always shout
My great Halleluyah
